Many of us have colleagues at the University of Wisconsin Department of Family Medicine and Community Health (DFMCH) who are not only our professional peers, but also our good friends. How have your colleagues touched your life?

Through the Recognition Fund, you can show your appreciation for those important people. You can recognize anyone for any reason, including birthdays, family milestones, work anniversaries or professional milestones.

All contributions are valued and will be recognized. Proceeds will go to a special fund designed to support DFMCH faculty and staff development; educational opportunities for learners; and other activities in support of the DFMCH's statewide missions of education, research, patient care and community service.

To learn more, or to discuss making a larger donation toward a specific DFMCH project, please feel free to contact Barbara Stranksy, CPA, co-interim director of business services (phone 608-263-3446; barbara.stransky@fammed.wisc.edu).
