

Service-Learning in Health Professions Education Selected Bibliography

The following list of resources will provide direction and useful information as you develop your service-learning or community service program. Please note that some resources are listed with telephone or contact information for ordering a particular book or article. The list is not intended to be exhaustive, but reflects a selection of materials recommended by Community-Campus Partnerships for Health. If you have a recommended resource to add to this list, please contact us at ccph@itsa.ucsf.edu.
