### Login With Your NetID

- Logging in will give you access to library resources that are restricted (due to software licenses, copyright restrictions and other contractual agreements) to UW-Madison students, faculty, and staff.
- If you need assistance with your NetID and password, please call the DoIT Help Desk at 608-264-HELP (4357). For security reasons, the Help Desk will only handle NetID and password issues over the phone. The Help Desk is open from 6AM-1AM daily.

- 4) Once logged in, you will be directed to the Essential Evidence Plus search page.
- 5) On the Essential Evidence Plus page, click the link, EE+ Home
