Commemorating those who have shaped our department

Many visionaries built the University of Wisconsin Department of Family Medicine and Community Health (DFMCH) into the outstanding department it is today. Those leaders have influenced the careers and improved the lives of many in our community, nation and world.

Through the Visionaries Fund, you can honor DFMCH founders, innovators and mentors—past or present—who have shaped our department and inspired legions of successful family physicians.

All contributions are valued and will be recognized. Proceeds will go to a special fund to support the DFMCH's statewide missions of education, research, patient care and community service.

To learn more, or to discuss making a larger donation toward a specific DFMCH project, please feel free to contact Jerome Garrett, Jr., MBA, FACHE, Director of Business Services,
