

AHSR 2017 Breakout Presentation Schedule

Presenting Author (Affiliation) Title

* Presentation will also be presented in poster format

Session 1 (Thursday, 10/19, 9:45am to 11:00am)

• Breakout 1: Special Populations

- ♦ **D. Paul Moberg, PhD** (University of Wisconsin-Madison Population Health Institute) *Outcomes and Net Benefits of Recovery High Schools*
- ♦ **Sharon Reif, PhD** (Brandeis University) *Pain and Alcohol Use in a Post-Deployment Army Population*
- ♦ **Mary Jo Larson, PhD** (Brandeis University Heller Graduate School) *Predictors of Postdeployment Long-term Opioid Use among Army Soldiers*
- ♦ **Kathryn McCollister, PhD** (University of Miami Miller School of Medicine) *Criminal Justice Measure Data Harmonization for Economic Evaluation of Substance Use Disorder Treatment and Policy*

• Breakout 2: Patient and System-Level Factors Associated with HEDIS AOD-IET Measure Performance across Health Systems: A NIDA CTN study

- ♦ Symposium Chair: **Bobbi Jo Yarborough, PsyD** (Kaiser Permanente Northwest Center for Health Research)
- ♦ **Gwen Lapham, PhD, MPH, MSW** (Kaiser Permanente Washington Health Research Institute) *HEDIS Treatment Initiation and Engagement for Cannabis Use Disorders In Seven US Health Care Systems: A NIDA CTN study*
- ♦ **Cynthia Campbell, PhD, MPH** (Kaiser Permanente Northern California Division of Research) *Predictors of HEDIS Treatment Initiation and Engagement Among Patients with Opioid Disorders across Seven Health Systems: A NIDA CTN study*
- ♦ **Ingrid Binswanger, MD, MPH, MS** (Kaiser Permanente Colorado Institute for Health Research) *The Association between Medical Comorbidity and HEDIS Treatment Initiation and Engagement for Alcohol and Other Drug Use Disorders: A NIDA CTN study*
- ♦ **Rulin Hechter, MD, PhD** (Kaiser Permanente Southern California Department of Research and Evaluation) *HEDIS measures of alcohol and drugs treatment initiation and engagement among insured HIV-infected and non HIV-infected patients: A NIDA CTN study*

• Breakout 3: Dissemination and Implementation Research in Addiction Health Services

- ♦ Symposium Chair: **Andrew Quanbeck, PhD** (University of Wisconsin-Madison)
- ♦ **Bryan Garner, PhD** (RTI International) *The Substance Abuse Treatment to HIV Care (SAT2HIV) Project: Preliminary Findings on the Effectiveness of Implementation and Sustainment Facilitation*
- ♦ **Bri Deyo, MPH** (University of Wisconsin-Madison) *Systems Consultation to Reduce Opioid-Related Harms*

Addiction Health Services Research

October 18-20, 2017

Draft Date: 10/12/17

- ♦ **Todd Molfenter, PhD** (University of Wisconsin-Madison) *Test of a Payer/Treatment Agency Model to Increase Implementation of Buprenorphine for Opiate Addiction*
- ♦ **Lynn Madden, MPH** (APT Foundation) *The Effects of Implementing an Open-access Service Delivery Model for Methadone Maintenance Treatment: A Longitudinal Organizational Study*
- ♦ **Gregory Aarons, PhD** (University of California-San Diego) *Preliminary Findings for the Leadership and Organizational Change for Implementation (LOCI) Intervention in Substance Use Disorder Treatment Programs*
- **Breakout 4: Large Database Studies of Opioid Misuse and Opioid Use Disorder**
 - ♦ * **Jayani Jayawardhana, PhD** (University of Georgia) *Deaths among Opioid Users in Georgia Medicaid: Impact of Potential Misuse and Inappropriate Prescribing Practices*
 - ♦ * **Caroline Lobo, MS** (University of Pittsburgh) *Using unsupervised clustering to identify potentially problematic opioid use in Medicare (AHSR 2017 Early Career Investigator Award Recipient)*
 - ♦ **Vicki Fung, PhD** (Massachusetts General Hospital, Harvard Medical School) *Persistent Opioid Use Among Medicare Beneficiaries with Serious Mental Illness*
 - ♦ **Amanda Abraham, PhD** (University of Georgia) *Changes in Availability of Medications to Treat Opioid and Alcohol Use Disorders (2000-2014)*

Session 2 (Thursday, 10/19, 11:15am to 12:30pm)

- **Breakout 5: Recreational Marijuana Use and Policy**
 - ♦ **Julia Dilley, PhD** (University of Washington, Washington State Department of Health) *What's Really Happening with Youth Cannabis Use in Washington? Insights from Three Data Systems*
 - ♦ **Sean Murphy, PhD** (Weill Cornell Medical College) *The "Real" Number of Washington State Adolescents Using Marijuana, and Why: A Misclassification Analysis*
 - ♦ **Marian Jarlenski, PhD, MPH** (University of Pittsburgh Graduate School of Public Health) *Time Trends in Concurrent and Separate Cigarette Smoking and Marijuana Use Among U.S. Reproductive-aged Women*
- **Breakout 6: Prescription Drug Monitoring Outcomes**
 - ♦ **Marcus Bachhuber, MD, MSHP** (Montefiore Medical Center/Albert Einstein College of Medicine) *Impact of a Mandatory Prescription Drug Monitoring Program on Overall Opioid Analgesic Dispensing Among New York City Residents*
 - ♦ **Marcus Bachhuber, MD, MSHP** (Montefiore Medical Center/Albert Einstein College of Medicine) *Impact of a Mandatory Prescription Drug Monitoring Program on Potentially Problematic Patterns of Opioid Analgesic Dispensing Among New York City Residents*
 - ♦ **Sean Haley, PhD, MPH** (Cuny School of Public Health and Health Policy) *Opioid Hospitalizations and Mortality Before and After the Implementation of New York State's Internet System for Tracking Over-Prescribing*
 - ♦ * **Michael Fendrich, PhD** (University of Connecticut School of Social Work) *Heroin Use and Transition from Prescription Opioids: Prevalence, Correlates, & Treatment Outcomes*

Addiction Health Services Research

October 18-20, 2017

Draft Date: 10/12/17

- **Breakout 7: Integrating Care for Substance Use Disorders and HIV/AIDS**
 - ♦ Symposium Chair: **Bryan Garner, PhD** (RTI International)
 - ♦ **Bryan Garner, PhD** (RTI International) *The Substance Abuse Treatment to HIV Care (SAT2HIV) Project: Preliminary Findings on the Effectiveness of a Motivational Interviewing-based Brief Intervention*
 - ♦ **Derek Satre, PhD** (University of California, San Francisco; Kaiser Permanente Division of Research) *Implementing Computerized Substance Use and Depression Screening and Evidence-based Treatments in HIV Primary Care: The Promoting Access to Care Engagement (PACE) Project*
 - ♦ **Ana Ventuneac, PhD** (Icahn School of Medicine at Mount Sinai, Division of Infectious Diseases) *Integrated Care for Substance Abuse Diagnosis and Treatment in HIV Clinic Settings*

- **Breakout 8: Improving Substance Use Services for Justice-Involved Youth: Agency and Staff Perspectives on Strategies for Need Identification and Linkage to Care**
 - ♦ Symposium Chair: **Danica Knight, PhD** (Texas Christian University)
 - ♦ Discussant: **Tisha Wiley, PhD** (National Institute on Drug Abuse)
 - ♦ **Michael Dennis, PhD** (Chestnut Health Systems) *Comparing Behavioral Health Screening in a National Sample of Justice Community Supervision Agencies and Their Primary Behavioral Health Service Providers*
 - ♦ **Danica Knight, PhD** (Texas Christian University) *Multiple Perspectives on the Importance and Use of Substance Use Services for Juvenile Offenders: Preliminary Findings From a Cluster Randomized Trial Targeting System-wide Improvement*
 - ♦ **Hannah Knudsen, PhD** (University of Kentucky) *Perceived Importance of Substance Use Prevention Among Juvenile Justice Employees: Site- and Individual-level Correlates*
 - ♦ **Jennifer Becan, PhD** (Texas Christian University) *Assessing Process Improvement Plans to Address Substance Use Needs among Juvenile Justice Involved Youth in a Large-Scale Multisite Study*

Session 3 (Thursday, 10/19, 2:45pm to 4:00pm)

- **Breakout 9: Quality of Care**
 - ♦ **Deborah Garnick, ScD** (Institute for Behavioral Health, Heller School for Social Policy and Management, Brandeis University) *Identification: An Important Precursor to Initiation and Engagement in Substance Use Disorder Treatment*
 - ♦ **Dennis McCarty, PhD** (OHSU-PSU School of Public Health, Oregon Health & Science University) *Access to Pharmacotherapy for Alcohol Use Disorders in the Oregon Health Plan*
 - ♦ **Kimberly Hepner, PhD** (RAND Corporation) *Assessing Process of Care Measures for Unhealthy Alcohol Use: An Evaluation of Predictive Validity*
 - ♦ **Esra Alagoz, PhD** (University of Wisconsin-Madison) *Recruitment and Retention Strategies for the Substance Abuse Treatment Workforce: A Qualitative Study*

Addiction Health Services Research

October 18-20, 2017

Draft Date: 10/12/17

- **Breakout 10: Healthcare Utilization for Substance Use Disorders**
 - ♦ **Jason Paltzer, PhD, MPH** (University of Wisconsin-Madison; Grand Canyon University) *Effects of Universal Screening, Brief Intervention, and Referral to Treatment on Healthcare Utilization Among Low-Income Patients in Wisconsin*
 - ♦ **Jan Gryczynski, PhD** (Friends Research Institute) *Re-hospitalization and Substance Use Disorder (SUD) Treatment Entry Among Hospitalized Medical Patients Seen By a SUD Consultation Service*
 - ♦ **Adam Brooks, PhD** (Treatment Research Institute) *Specialized Community Disease Management to Reduce Substance Use and Hospital Readmissions*
 - ♦ **Samantha Lookatch, PhD** (Cpl. Michael J. Crescenz VA Medical Center/ Perleman School of Medicine, University of Pennsylvania) *The Impact of Substance Dependence on Healthcare Utilization Patterns*

- **Breakout 11: Alternative Payments and Delivery System Reforms for Addiction Treatment**
 - ♦ Symposium Chair: **Constance Horgan, ScD** (Institute for Behavioral Health, The Heller School, Brandeis University)
 - ♦ Discussant: **Sarah Duffy, PhD** (National Institute on Drug Abuse)
 - ♦ **Maureen Stewart, PhD** (Institute for Behavioral Health, The Heller School, Brandeis University) *The Landscape of Bundled Payment: Where Does Addiction Fit In?*
 - ♦ **Mady Chalk, PhD, MSW** (The Chalk Group and Treatment Research Institute) *Bundled Payments for Medication-assisted Treatment*
 - ♦ **Charles Neighbors, PhD, MBA** (the National Center on Addiction and Substance Abuse) *New York Medicaid Health Homes Association with Substance Use Disorder Treatment*

- **Breakout 12: Alcohol Use Disorder Pharmacotherapy and Treatment in Primary Care Settings: The ADaPT-PC Trial**
 - ♦ Symposium Chair: **Hildi Hagedorn, PhD** (Center for Chronic Disease Outcomes Research, Minneapolis VA Health Care System; Department of Psychiatry, University of Minnesota School of Medicine)
 - ♦ **Hildi Hagedorn, PhD** (Center for Chronic Disease Outcomes Research, Minneapolis VA Health Care System; Department of Psychiatry, University of Minnesota School of Medicine) *ADaPT-PC Intervention Design and Pre-Implementation Primary Care Provider-Identified Implementation Barriers*
 - ♦ **Jennifer Wisdom, PhD, MPH** (City University of New York School of Public Health) *Patient Perspectives on Alcohol Use Disorder Pharmacotherapy and Integration of Treatment into Primary Care Settings*
 - ♦ **Randall Brown, MD, PhD, FASAM** (William S. Middleton Memorial VA Hospital; Department of Family Medicine, University of Wisconsin School of Medicine and Public Health) *ADaPT-PC: A Site Champion's View From the Ground*
 - ♦ **Alex Sox-Harris, PhD** (Center for Chronic Disease Outcomes Research, Minneapolis VA Health Care System) *ADaPT-PC Quantitative Evaluation Methods and Results*

Addiction Health Services Research

October 18-20, 2017

Draft Date: 10/12/17

Session 4 (Thursday, 10/19, 4:15pm to 5:30pm)

• Breakout 13: Primary and Preventive Care for Substance Use Disorders

- ♦ **Christine E Grella, PhD** (Chestnut Health Systems) *Linking Individuals with Substance Use Disorders (SUD) in Primary Care to SUD Treatment: The Recovery Management Checkups – Primary Care (RMC-PC) Pilot Study*
- ♦ * **Katherine Hoggatt, PhD, MPH** (VA Greater Los Angeles; University of California, Los Angeles) *Disparities in Care Quality and Experiences of Primary Care for Patients with Substance Use Disorder*
- ♦ **Holly Hills, PhD** (Mental Health Law and Policy, CBCS, University of South Florida) *Addressing the Needs of Pregnant Women in Opioid Treatment Programs*
- ♦ * **Elizabeth Krans, MD, MSc** (Magee-Womens Research Institute) *Postpartum Contraceptive Use and Interpregnancy Interval Among Women with Opioid Use Disorder*

• Breakout 14: Designing and Executing a Replicable Implementation Research Experiment in Addiction Health Services

- ♦ Symposium Chair: **Mark McGovern, PhD** (Stanford University School of Medicine)
- ♦ Discussant: **Tisha Wiley, PhD** (National Institute on Drug Abuse)
- ♦ **Mehret Assefa** (Department of Psychiatry & Behavioral Sciences, Stanford University School of Medicine) *Operationalizing the Consolidated Framework for Implementation Research (CFIR) to Systematically Assess Context*
- ♦ **Jay Ford, PhD** (Center for Health Systems Research and Analysis, University of Wisconsin) *Implementation Strategies: Measuring Precision and Fidelity*
- ♦ **Kevin Campbell, PhD** (Behavioral Health Administration, Washington State Department of Social and Health Services) *Harvesting "Big Data" to Evaluate Patient Level Implementation Outcomes Across a System of Care*
- ♦ **Mary Malone** (Isabella House, New Horizon Care Center of Spokane Washington) *Costs and Benefits of Participating in an Implementation Research Experiment: Treatment Provider Perspectives*

• Breakout 15: The Opioid Crisis – A Critical Threat Across The U.S.

- ♦ Symposium Chair: **Constance Horgan, ScD** (Brandeis University)
- ♦ **Andrew Kolodny, MD** (Brandeis University) *The Opioid Addiction Epidemic: A Public Health Crisis*
- ♦ **Harold Pollack, PhD** (University of Chicago) *Fentanyl: An Emerging Threat*
- ♦ **Gail Strickler, PhD** (Brandeis University) *Trends in Indicators of Prescription Opioid Abuse and Misuse: Data from the Prescription Behavior Surveillance System, 2010-2016*
- ♦ **Sharon Reif, PhD** (Brandeis University) *Commercial Health Plan Coverage of Selected Treatments for Opioid Use Disorders, 2003- 2014*
- ♦ **Alisa Busch, MD, MS** (Harvard Medical School and McLean Hospital) *Use of Medication-Assisted Treatment with Buprenorphine and Naltrexone for Opioid Use Disorder among Commercially-Insured Individuals, 2008-2015*

Addiction Health Services Research

October 18-20, 2017

Draft Date: 10/12/17

- **Breakout 16: Advancing the Science of Quality Improvement in Substance Use Disorder Treatment**

- ♦ Symposium Chair: **Carlos Blanco, MD, PhD** (Division of Epidemiology, Services, and Prevention Research, National Institute on Drug Abuse)
- ♦ Discussant: **Kimberly Johnson, PhD** (Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration)
- ♦ **Bronwyn Myers, PhD** (Alcohol, Tobacco, and Other Drug Research Unit, South African Medical Research Council, Cape Town, South Africa) *A Mixed-Methods Evaluation of the Implementation of a Performance Measurement System for South Africa's Substance Abuse Treatment Services (Live video conference from South Africa)*
- ♦ **Aaron Hogue, PhD** (The National Center on Addiction and Substance Abuse) *Distilling the Core Elements of Family Therapy for Adolescent Substance Use: Conceptual and Empirical Solutions*
- ♦ **Sarah Hunter, PhD** (Rand Corporation) *Continuous Quality Improvement in Addiction Treatment Settings*
- ♦ **Sarah Q. Duffy, PhD** (National Institute on Drug Abuse) *Developing Actionable Quality Measures for Substance Use Disorder Treatment*

Session 5 (Friday, 10/20, 9:45am to 11:00am)

- **Breakout 17: Impact of the Affordable Care Act on Substance Use Disorder Treatment: Early Findings from the National Drug Abuse Treatment System Survey**

- ♦ Symposium Chairs: **Christina Andrews, PhD** (University of South Carolina) and **Peter Friedmann, MD, MPH** (University of Massachusetts Medical School – Baystate)
- ♦ **Amanda Abraham, PhD** (University of Georgia) *Substance Use Disorder Treatment Benefits in Health Insurance Exchanges and Access to Specialty Treatment*
- ♦ **Peter Friedmann, MD, MPH** (University of Massachusetts Medical School – Baystate) *Health Reform and Organizational Uncertainty Among Substance Use Disorder Treatment Programs*
- ♦ **Christina Andrews, PhD** (University of South Carolina) *Availability and Receipt of Substance Use Disorder Treatment After Medicaid Expansion*
- ♦ **Thomas D'Aunno, PhD** (New York University) *Linkages Between Substance Use Disorder Treatment and Health Care in Patient-Centered Medical Homes and Accountable Care Organizations*
- ♦ **Harold Pollack, PhD** (University of Chicago) *Stakeholder Perspectives on Implementation of State-Level Health Reforms on Substance Use Disorder Treatment*

- **Breakout 18: Special Populations**

- ♦ **Samantha J. Harris, PhD Candidate** (Department of Public Administration and Policy, University of Georgia) *State Disparities in the Quality of Substance Use Disorder Treatment Services*

Addiction Health Services Research

October 18-20, 2017

Draft Date: 10/12/17

- ♦ **Jennifer Wisdom, PhD, MPH** (City University of New York School of Public Health) *Help-Seeking among Lesbian, Gay, Bisexual, and Heterosexual Adults with Substance Abuse Problems*
- ♦ **Sean Haley, PhD, MPH** (City University of New York School of Public Health) *Gender, Migration, Place and Social Context on Substance Use: Analysis of the Collaborative Psychiatric Epidemiology Studies*
- ♦ * **Aaron Johnson, PhD** (Augusta University) *Effectiveness of a Recovery Support App for Parolee Substance Use: Study Design and Baseline Data From a Randomized Controlled Trial*

- **Breakout 19: Substance Use Disorder and HIV**
 - ♦ **Charles Neighbors, PhD, MBA** (National Center on Addiction and Substance Abuse) *Hepatitis C, HIV, and Opioid: Prevalence and Treatments*
 - ♦ **Rajeev Yerneni, MBA** (National Center on Addiction and Substance Abuse) *Supportive Housing Program for HIV-Positive Medicaid Clients in New York State- Preliminary Outcomes*
 - ♦ * **Kara Bensley, MSC** (Department of Health Services, University of Washington) *Differences in Receipt of Alcohol-Related Care across Rurality among VA Patients Living with HIV and Unhealthy Alcohol Use*
 - ♦ **Emily Williams, PhD, MPH** (VA Puget Sound) *Alcohol Use and Severity and Associated Characteristics Among African-American Women Receiving Care for HIV in the United States*

- **Breakout 20: Prescribers, Pharmacists, & the Opioid Dilemma: A Multi-Site Qualitative Study**
 - ♦ Symposium Chair: **Mark J. Edlund, MD, PhD** (RTI International)
 - ♦ Discussant: **Katharine Bradley, MD, MPH** (Kaiser Permanente Washington)
 - ♦ **Mark J. Edlund, MD, PhD** (RTI International) *Factors that Influence Primary Care Providers' Opioid Prescribing*
 - ♦ **Karen L. Drummond, PhD** (University of Arkansas for Medical Sciences) *Primary Care Providers' Attitudes Toward Prescribing Buprenorphine*
 - ♦ **Geoffrey M. Curran, PhD** (University of Arkansas for Medical Sciences) *"Caught in the Middle": Community Pharmacists' Beliefs about Dispensing Opioids in the Midst of an Opioid "Epidemic"*
 - ♦ **Patricia R. Freeman, BSPHarm, PhD** (University of Kentucky) *Utilization of PDMPs for Dispensing Decision-Making: Insights from a Qualitative Study of Community Pharmacists*

Session 6 (Friday, 10/20, 11:15am to 12:30pm)

- **Breakout 21: Integrating Treatment for Opioid and Alcohol Use Disorders in Primary Care: Results from the SUMMIT Study**
 - ♦ Symposium Chair: **Katherine Watkins, MD, MSHS** (RAND Corporation)
 - ♦ Discussant: **Richard Saitz, MD, MPH** (Boston University)
 - ♦ **Katherine Watkins, MD, MSHS** (RAND Corporation) *Implementing the Chronic Care Model for Opioid and Alcohol Use Disorders in Primary Care: The SUMMIT Study Design and Development of the Collaborative Care Intervention*

Addiction Health Services Research

October 18-20, 2017

Draft Date: 10/12/17

- ♦ **Allison Ober, PhD** (RAND Corporation) *Using the Consolidated Framework for Implementation Research (CFIR) to Assess Barriers and Facilitators to Implementing Medication-Assisted Treatment for Opioid and Alcohol Use Disorders in Primary Care*
- ♦ **Katherine Watkins, MD, MSHS** (RAND Corporation) *Patient outcomes from the SUMMIT study*
- ♦ **Sarah Hunter, PhD** (RAND Corporation) *Sustaining Evidence-Based Alcohol and Opioid Use Disorder Treatment in Primary Care: Findings from the SUMMIT Study*

- **Breakout 22: Improving Decision-making and Reducing Health Risk Behaviors for Substance-abusing Probationers – Feasibility, Uptake and Preliminary Outcomes**
 - ♦ Symposium Chair: **Wayne Lehman, PhD** (Texas Christian University)
 - ♦ **Wayne Lehman, PhD** (Texas Christian University) *What is StaySafe and Will Probationers Use It and Like It?*
 - ♦ **Wayne Lehman, PhD** (Texas Christian University) *Using StaySafe to Improve Decision Making and Increasing Confidence to Avoid Risky Behaviors*
 - ♦ **Jennifer Pankow, PhD** (Texas Christian University) *Gender Differences in Using StaySafe*
 - ♦ **Jennifer Pankow, PhD** (Texas Christian University) *Using StaySafe for Women's Health Issues*

- **Breakout 23: Clinical Decision Tools for Adolescents: An Update**
 - ♦ Symposium Chair: **Sean Grant, PhD** (RAND Corporation)
 - ♦ Discussant: **Marc Fishman, MD** (John Hopkins University School of Medicine)
 - ♦ **Michael Dennis, PhD** (Chestnut Health Systems) *Providing Clinical Decision Making Support for the Adolescent Treatment Placement*
 - ♦ **Sean Grant, PhD** (RAND Corporation) *Key Considerations for Deciding an Adolescent's Substance Use Treatment Setting: An Online Delphi Process*
 - ♦ **Denis Agniel, PhD** (RAND Corporation) *Identifying Optimal Treatment Levels of Care in Longitudinal Observational Data*
