

Mbonu Ikezuagu, MD, MHSA, FACP, CPE
ThedaCare

Mbonu Ikezuagu, MD serves as the Chief Quality Officer for ThedaCare and provides quality and safety leadership across the health system in Accountable Care Organization, Employed Physician group, Acute Care, Post-Acute Care and other aspects of the continuum of care. Dr. Ike is board-certified in Internal Medicine and has deep passion for prevention and wellness as well as medical education. He earned his medical degree from Ross University School of Medicine and completed his Internal Medicine Residency training at Mercy Health-St. Vincent Medical Center in Toledo, Ohio. He has a Master's Degree in Health Care Administration from the George Washington University Medical Center in Washington, D.C. He is a fellow in the American College of Physicians and Certified Physician Executive in the American Association of Physician Leadership.

When he is not working, he enjoys spending time with his wife and 4 children, biking, running, and enjoying a home cooked meal. He is also very active in his church and participates in different church activities including small groups.
