

Jesi Wang, MBA, CPHQ
MetaStar

Jesi Wang, MBA, CPHQ is the President & Chief Executive Officer at MetaStar. She is responsible for leading large-scale quality improvement initiatives, growing the business in both government contract and commercial product lines, strategic planning, and working with federal and state funding agencies. Under her leadership, MetaStar has successfully assisted hundreds of healthcare organizations to make improvements in the areas of prevention, healthcare acquired infections, transitions of care, and health information technology to name a few.

Jesi earned a Bachelor's degree in community health education from UW La Crosse in 2001. In addition, she earned CPEHR and CPHIT certifications in 2007 and CPHQ in 2010, and graduated with an MBA in Health Systems Leadership from Edgewood College in 2015. She has and continues to serve on the Board of Examiners for the Wisconsin Forward Award, Board Secretary for The Road Home Dane County, and the Board of Directors and chair of the Health Community Solutions Team for the United Way of Dane County.

A Wisconsin native, she grew up in Green Bay. She comes from a large family (42 aunts and uncles) and currently lives with her husband, two children and Goldendoodle. When not at work, she can be found at a hockey rink, in a boat waterskiing with her family, or sipping a cup of tea while reading a book on her porch.
