### Additional Reference Information:

- The **Liaison Committee on Medical Education (LCME)** is the U.S. Department of Education-recognized accrediting body for programs leading to the M.D. degree in the United States. It also accredits M.D. programs in Canada, in cooperation with the Committee on Accreditation of Canadian Medical Schools (CACMS). <http://lcme.org/directory/>
- The **American Osteopathic Association's Commission on Osteopathic College Accreditation (COCA)** accredits 33 osteopathic medical schools which offer instruction at 48 teaching locations. <http://www.osteopathic.org/inside-aoa/about/affiliates/Pages/osteopathic-medical-schools.aspx>
- “The **Educational Commission for Foreign Medical Graduates (ECFMG)** promotes quality health care for the public by certifying international medical graduates for entry into U.S. graduate medical education, and by participating in the evaluation and certification of other physicians and health care professionals nationally and internationally. In conjunction with its [Foundation for Advancement of International Medical Education and Research \(FAIMER\)](http://www.ecfmger.org/), and other partners, it actively seeks opportunities to promote medical education through programmatic and research activities.” <http://www.ecfmger.org/>
